By Associated Press.

Washington, March II.—Freddent Cleveland's veto of the Bland bill has resulted in a proposition for a national convention of the West and Hemil convention of the West and Bouth, to form a now political party, based on the demand for free columns of allver. The proposition comes from certain radical Democratic coursess-men who believe that the time has arrived when the party's salvation in the West and Bouth demands that it should regulate once and forever Eastern depointails on financial poli-ties. Western and Smillern Damo-erats, who are at the head of the provement, declare that the veto of the Hand bill shows that the administrution has set its face towards the single gold standard.

Miss Karra Ksuwyn Mr. Charles Kent as Col. Randolph played his part with the araceful finish of a therough artist. Miss Karra Kenwyn as Mrs. Josephine Dulancy is a lady of exceptional railent, and her delineation of the charming widow was as charmingly rendered. Miss Bartha Folts as Flora May Bandolph, the daughter, is a young California actress who won her way at once to the hearts of the audience. Mr. O'Malley as Napoleon Lafrayette Handolph was cast in the part of an old negra boose servant of the ante-bellum days, and no such portrayal of that poculiarly interesting charactes in all its perfectness has ever been seen in this city. In fact, the whole cast was a grand one, and it is to be regretted that Mr. Clement's engagements will not permit a repellition of the performance. A man who can play Hambet, Maffilias in 'The Bella' as he did at yesterday's matines and then successfully assume a German dialect part in a camedy is certainly an actor in the full sonce of the word.
